

AMENDED IN ASSEMBLY MAY 15, 2006

CALIFORNIA LEGISLATURE—2005–06 REGULAR SESSION

ASSEMBLY BILL

No. 2401

Introduced by Assembly Member Karnette
(Coauthor: Senator Lowenthal)

February 23, 2006

An act to amend Section 21100.5 of, and to add Section 167 to, the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 2401, as amended, Karnette. Vehicles: autoettes.

(1) Existing law requires operating motor vehicles to be registered by the Department of Motor Vehicles. Existing law authorizes a city located on a natural island that meets specified requirements to adopt an ordinance or a resolution regulating the size and noise limits and classes of vehicles used on streets under their jurisdiction.

This bill would authorize that city, by ordinance or resolution, to list motor vehicles meeting specified requirements as autoettes, as defined, and would require the department to register autoettes as motor vehicles. *The bill would limit the operation of the autoette to the streets and highways of the natural island and would require the owner of the autoette to remove the license plates from the vehicle and return them to the department if the vehicle is removed from the island.*

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
